Overview

What is Optional Practical Training STEM Extension?

Optional Practical Training STEM Extension (STEM OPT) is a 24-month extension directly following post-completion OPT. STEM OPT is an opportunity to expand on previous academic training through a bona-fide employer-employee relationship. Students who completed a STEM-related major may qualify for the STEM extension, and employment must be related to the STEM major field of study.

What steps must I take in order to complete the STEM OPT application process?

1. Complete Form I-983 Training Plan with employer
2. Apply for STEM OPT in Cystart
3. Receive e-mail from ISSO to pick up STEM OPT I-20
4. Gather STEM OPT application documents
5. STEM OPT application review by ISSO (optional)
6. Mail STEM OPT application to USCIS
7. Receive receipt notice (Complete new I-9 with employer, if necessary)
8. Wait 90 days (or more) for adjudication
9. Receive EAD card in the mail
10. Complete new I-9 with employer

Eligibility

What are the general eligibility criteria for STEM OPT?

- Students who are in valid F-1 status

STEM OPT Eligibility

Mandatory Degree Requirements

- Degree that is the basis for the 24-month STEM OPT Extension must be:
 - At the Bachelor's, Master's, or Doctoral level
 - Listed on the [STEM Designated Degree Program List](#)
 - Based on the major CIP code
- Student is eligible immediately following post-completion OPT and after completing all course requirements
 - Excluding creative component/thesis/dissertation

Previous Degree Requirements

- The STEM OPT Extension may be based on a previously obtained STEM degree that was:
 - Conferred within the past 10 years
 - From a U.S. educational institution that is SEVP-certified
 - Included on the current [STEM Designated Degree Program List](#)
- Each degree may only be used once as the basis of a 24-Month STEM OPT extension
- Must be in a period of post-completion OPT when applying
- All requirements must be met at the time of the Designated School Official's (DSO) STEM OPT recommendation

Employment Requirements

- Employment on STEM OPT must be directly related to the STEM major
- Employer must be enrolled in E-Verify
- **Must be paid** employment for a **minimum of 20 hours** per week per employer
- Employee and employer must complete the Form I-983 Training Plan
 - Bona fide employer, employee relationship must exist
 - Employer agrees to report the termination or departure of a STEM OPT student to the DSO within 5 days of the termination or departure

Compensation and Time Requirements

- Pay must be commensurate with terms and conditions applicable to the employer's similarly situated U.S. workers in the area of employment
- Required to work at least 20 hours per week for each employer
 - Excluding time off taken consistent with leave-related policies
- Not allowed to volunteer while on STEM OPT
- Must disclose any adjustments on an updated Form I-983

Form I-983, Training Plan

- Form I-983 is used to:
 - Identify goals for the STEM opportunity and specific knowledge, skills, and techniques that will be gained
 - Explain how goals will be achieved
 - Obtain a performance evaluation
 - Describe methods of oversight and supervision
 - Explain how the training is directly related to the student's qualifying STEM degree
- Completed Form I-983 must be submitted before the DSO may recommend an OPT Extension
 - ICE and/or USCIS may request a copy. Must be kept updated.
- New Form I-983 required when starting with a new employer or when changes are made
 - Student must submit a new Form I-983 within 10 days of change

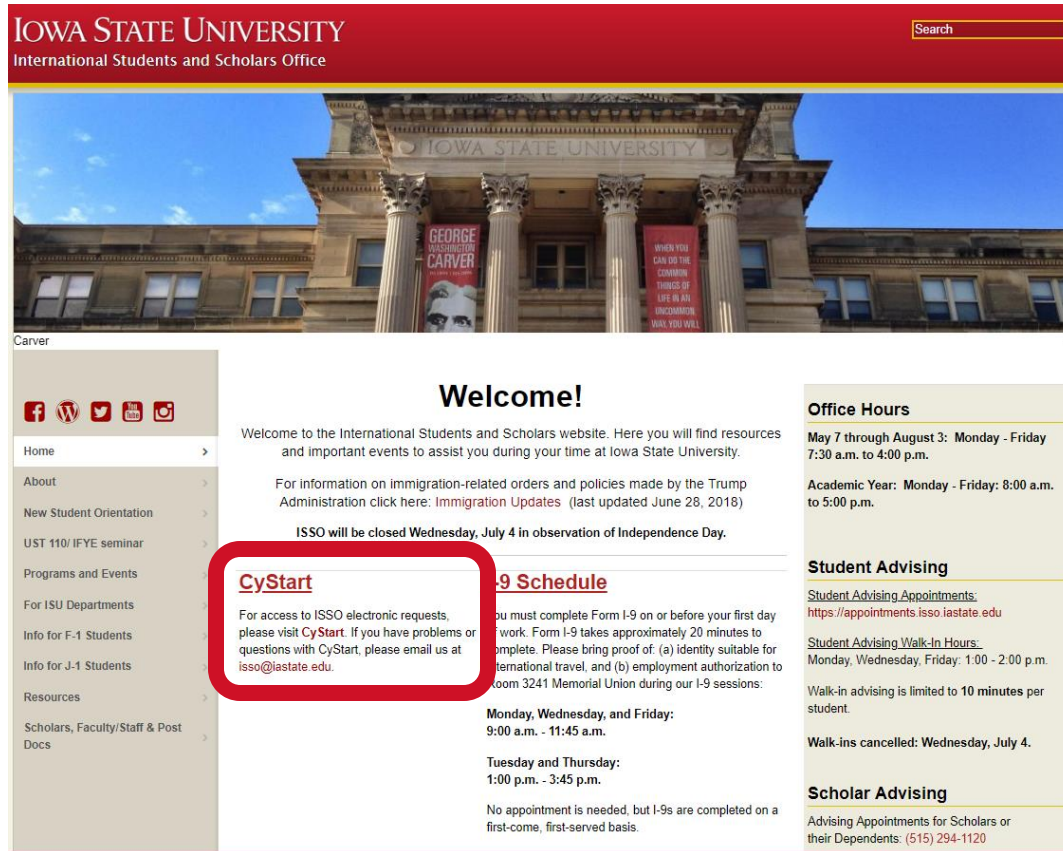

Application Process

Application Timeline

- To be eligible for STEM OPT, the application:
 - **Must be received by USCIS no earlier than 90 days** before the end date of the post-completion OPT EAD
 - **Must be received and receipted by USCIS on or before the end date** of the post-completion OPT EAD
- USCIS may take over 90 days to process the application
- If application is timely and properly filed, student may continue work for up to 180 days beyond the post-completion OPT end date while the application is pending
 - USCIS will issue a Receipt Notice which you may use to complete Form I-9 with your employer to authorize this 180 day period of employment
- Work performed after post-completion OPT EAD end date must be directly related to STEM degree used as the basis for the 24-month STEM OPT extension

What Is the Purpose of This Form?

Use this form to request an electronic notification (e-Notification) when U.S. Citizenship and Immigration Services accepts your immigration application. This service is available for applications filed at a USCIS Lockbox facility.

General Information

Complete the information below and clip this form to the first page of your application package. You will receive one e-mail and/or text message for each form you are filing.

We will send the e-Notification within 24 hours after we accept your application. Domestic customers will receive an e-mail and/or text message; overseas customers will only receive an e-mail. Undeliverable e-Notifications cannot be resent.

The e-mail or text message will display your receipt number and tell you how to get updated case status information. It will not include any personal information. The e-Notification does not grant any type of status or benefit; rather it is provided as a convenience to customers.

USCIS will also mail you a receipt notice (I-797C), which you will receive within 10 days after your application has been accepted; use this notice as proof of your pending application or petition.

USCIS Privacy Act Statement

AUTHORITIES: The information requested on this form, and the associated evidence, is collected under the Immigration and Nationality Act, section 101, et seq.

PURPOSE: The primary purpose for providing the requested information on this form is to determine if you have established eligibility for the immigration benefit for which you are filing. The information you provide will be used to grant or deny the benefit sought.

DISCLOSURE: The information you provide is voluntary. However, failure to provide the requested information, and any requested evidence, may delay a final decision or result in denial of your form.

ROUTINE USES: The information you provide on this form may be shared with other Federal, State, local, and foreign government agencies and authorized organizations following approved routine uses described in the associated published system of records notices [DHS-USCIS-007 - Benefits Information System and DHS-USCIS-001 - Alien File, Index, and National File Tracking System of Records, which can be found at www.dhs.gov/privacy]. The information may also be made available, as appropriate, for law enforcement purposes or in the interest of national security.

Paperwork Reduction Act

An agency may not conduct or sponsor an information collection and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The public reporting burden for this collection of information is estimated at 3 minutes per response, including the time for reviewing instructions and completing and submitting the form. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Citizenship and Immigration Services, Regulatory Coordination Division, Office of Policy and Strategy, 20 Massachusetts Avenue, NW, Washington, DC 20529-2140. OMB No. 1615-0109. Do not mail your completed Form G-1145 to this address.

Complete this form and clip it on top of the first page of your immigration form(s).
