

Dear (Parent/Guardian),

On behalf of the International Students and Scholars Office (ISSO) at Iowa State University, I would congratulate you on your student's admission to Iowa State and formally invite you to attend our New International Student Orientation program. Family members and guardians often attend orientation alongside their students to:

- Learn more about Iowa State
- Assist your student with moving in
- Tour our beautiful campus
- Meet other international parents
- Attend specific Parent and Family programming
- Learn about ways to stay involved beyond orientation

Here are a few things you should know about our upcoming program.

- New International Student Orientation for Spring 2027 will run from January 11th to January 14th.
- Your student must arrive in Ames, Iowa by January 10th.
- Most Parent and Family Programming will take place on days 1 and 2 of our 4-day orientation program.

We at ISSO hope you are able to join us and look forward to seeing you soon!
Go Cyclones!
